

Who We Are

Founded in 1955, the **Northbrook Woman's Club Foundation (NWCF)** is a 501(c)(3) not-for-profit organization that directly supports the community through philanthropy and service. Our organization offers our members a diverse choice of community projects for participation as well as social luncheons and fundraising events.

Who Benefits?

In addition to the 1,000 hours of community service our members have contributed, the NWCF has raised more than **\$1.5 million** for college scholarships and grants since inception. Our grant recipients provide support and services to groups such as children, low-income families, animals, elderly, and patients. This year, our 70th Anniversary event will be our largest fundraiser. Contributions from local area companies like you are critical for funding our philanthropic and service efforts for this and future years.
